

# Nursery Rhymes

P1

CURRICULUM	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p>This month's theme is "Nursery Rhymes." The children will recite familiar Nursery Rhymes and learn the lyrics to new rhymes. We will be using alphabet stamps and puzzles to develop the children's familiarity with letter forms in order to identify the first letter of their names. As we learn and explore Nursery Rhymes, our curriculum will assist the children in their language acquisition and speech development. For our Home Project (10/14) we encourage families to email a video of them.</p> <p><b>Literacy</b></p> <p>Recite Nursery Rhymes Identify the First Letter of Our Name</p> <p><b>STEAM</b></p> <p>Making Salt Dough Wheel Painting Cooking Pancakes Pumpkin Investigation</p> <p><b>Social Studies</b></p> <p>Songs in Different Languages Nature Walk Around the Neighborhood</p> <p><b>Social &amp; Emotional</b></p> <p>Sharing and Taking Turns Using our words First Time Listener</p>	<p>3</p> <p><b>What are Nursery Rhymes?</b></p> <p>Sharing the Nursery Rhymes We Know</p>	<p>4</p> <p><b>Pat-a-Cake</b> Singing the Rhyme with the First Letter of Our Names</p>	<p>5</p> <p><b>Sensory</b> Making Salt Dough "Cakes" &amp; Marking Them with Our First Letter!</p>	<p>6</p> <p><b>Project</b> Decorating Our Salt Dough "Cakes"</p> <p>Parent Orientation Night 6:00-8:00</p>	<p>7</p> <p><b>Cooking</b> Making Pancakes!</p>

## Milk a Cow

---

Submitted by Lisa

Talk to your children about where milk comes from. Then fill a latex glove full of milk at

and poke small holes in one or two of the fingers. Now the children can see how it is to r

really milk a cow.
