

Community Helpers

Pre-K

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p>This month the PreK class will be learning about community helpers. We will focus on a wide variety of different jobs such as farmer, baker, police officer and healthcare workers. We will be talking about the community helpers around our neighborhood. Students will participate in designing blueprints, writing in their journals and focusing on letters F, B and C. We will incorporate math through our cooking activities as well as 1:1 counting and number recognition through our dice game.</p> <p>STEAM</p> <p>Baking cookies Making slime Designing blueprints Glitter germ experiment</p> <p>Literacy</p> <p>Journals Letter practice (F, B, D)</p> <p>Social Studies</p> <p>Community helpers in our neighborhood Multicultural instruments</p> <p>Social & Emotional</p> <p>Helping our friends Kindness</p>	<p>Read Helpers in Your Neighborhood by Shira Evans</p> <p>What is a community helper?
